

SET THE STANDARD

Ensure shifts are a reasonable length and include reasonable and timely breaks

Work towards the development of fair and consistent rates and T&Cs

Work towards providing a break space for staff with secure lockers where possible

Support workers in getting H&S training and abide by H&S law & HSE guidance

Promote zero tolerance to bullying, harassment and inappropriate behaviour, and ensure any complaints are dealt with effectively and promptly

Aim to create a more diverse workforce (i.e. working towards providing facilities for pregnant/nursing women and access for disabled workers)
